

# STEM DIRECTOR

**Vickei Hrdina**  
**ESD 112 Vancouver WA**

*“Notice what your STEM relevant skills are, and use those to help bring you to a purpose that makes you happy.”*

**#ShelsSTEM**

**Vickei STEM director that supports programs in all schools across Southwest Washington. She helps figure out new and exciting ways for students in the ESD 112 area to learn problem solving skills that directly relate to STEM fields.**

**FUN FACT:** Along with teaching, Vickei’s background is in Archaeology and has worked on excavations in the Nevada Desert!
