

BANKER

Jennifer Daquiz Hare Head of Corporate & Institutional Banking, PNC Bank Inc.

“Don’t let anyone discourage you from your interests! It can be daunting to be the only girl or woman in class or the boardroom, but your ideas can be brilliant and sharing them only makes everyone around you better!”

#ShelsSTEM

Jennifer Daquiz Hare is Head of Corporate & Institutional Banking for the state of Washington at PNC Bank. She works with a team of bankers to lend capital to local companies to help them build and grow. She also helps companies think about how to operate better so that they can get paid quickly and pay their employees and business partners efficiently.

FUN FACT: Jennifer is a huge foodie. She’s traveled a lot and loves to try new foods from around the world. She also enjoys trying to replicate those recipes when she returns home.
