WHAT BUSINESSES SHOULD KNOW

$1 ⇔ $3

**Invest & Return**
Every dollar invested in early childhood development yields a 3X return to the community.

**Invest**
Each low-income child in our region needs an investment of $25k per year, over 3 years, in order to receive high-quality early childhood education.

**Develop**
By ensuring the development of the most critical skills in early childhood, children begin school ready to succeed.

**Sustain**
Strong K-12 and higher education systems and jobs that pay a family wage build on our investments.

GAIN $250K
Per-child return on investment, students, and communities see increased wages, less need for supplemental services, and healthier, more robust local economies.

WHAT EMPLOYERS CAN DO:

**LOWER COST**
- Inform employees of child care subsidies
- Connect employees with child care resource and referral networks
- Implement “bring your infant to work” and other family friendly model policies
- Allow for parent choice among options
- Offer the Dependent Care Assistance Program
- Contribute to child care savings accounts

**HIGHER COST**
- Provide backup child care
- Contract with nearby child care programs
- Offer child care vouchers or tuition payments
- Contract with child care providers for onsite child care - Very expensive
- Participate in voluntary programs recognizing family-, child-, and breastfeeding-friendly workplaces

WHAT IS THE BOTTOM LINE?

Employers have an important opportunity to invest in their workforce by becoming family friendly workplaces. These investments will yield returns for children, families, and businesses. And they are the right thing to do!
